

QUESTIONS

Please answer the following questions as honestly as possible. Your answers will be vital for your acceptance into the Jobfair Committee. You may use an extra sheet of paper if necessary.

1. Why do you want to join the CAPES Jobfair Committee? What can you contribute to Jobfair Logistics?
2. Give at least 5 contacts (name and contact details) involved in different logistics concerns (catering services, exhibitors / booths, rentals, sound system, ventilation, phone lines etc) that can be used for the next job fair. Be ready to contact them. (Please do not provide contacts of one specific field only, e.g. 5 contacts of catering services)
3. What do you think should be done in order to increase the number of participants of the job fair?
4. Give three new companies (name and contact person) that have not yet participated in the Engineering Job fair.
5. Conceptualize a new event / "pakulo" for the Job fair 2009 (not necessary regarding logistics).
6. Do you think the Job fair caters to all departments and students? Why or why not?

7. Do you think you can sacrifice your time for CAPES especially during the job fair week? If so, how would you keep up with your other obligations?

8. How good are you with people?

9. What resources do you have?
